The probate court gave a decree settling the estate aside for the use of the widow, Nancy Bybee, and the minor children as long as the widow should live, that last year the widow died and as all the children are of age, the suit is brought by the plaintiffs to have the estate divided equally among the heirs who are the plaintiffs and defendants to the action.

Jones et al. for \$34.50, alleged to be due for rent of land, and a writ of attachment was issued against the defendants, which was served on them by Deputy Sheriff E. C. ## RESOLUTIONS.

Be it known that:

Brother Wm. E. Jenkins of Auburn, Wyoming, came into our midst as a stranger in the month of October, 1900, having been engaged as principal of the Monticello school. His labors in our midst for eight months demonstrated his ability as a teacher of great talent, and his heart in every sense of the term, a brother and a friend.

In fact his presence for the period of eight months was so marked with good results, that it might with consistency be called an era of intellectual progress to both old and young.

AND WHEREAS, We have learned that the grim monster, death, has entered our brother's home and deprived him of his beloved wife and son.

BE IT RESOLVED: That we, his friends in Mass Meeting assembled, extend our heartfelt sympathy in this hour of trial and sorrow, and ask our Father in heaven to comfort our brother and assist him in accepting the will and works of Him whose right it is to give and take away, and may he pour the balm of peace upon the troubled souls who are left to mourn the great loss of wife and mother.

AND WHEREAS Our brother is expected to take up his labors again with us, we, the people of Monticello, anxiously await his coming to express in word and deed those things so impossible to do in writing.

Be it further resolved that a copy of the minutes of this meeting and these resolutions be sent to Brother Jenkins, and the Deseret News.

JOHN BAILEY, Chairman.

C. L. CHRISTENSEN, Secretary.

## WILL PLAY FOR CHAMPIONSHIP.

Agricultural College and University Teams Battle This Afternoon.

STRUGGLE WILL BE FIERCE.

"Aggies" Arrive Attended by a Big Crowd of Enthusiastic Rooters—Game at 3:30 at Walkers.

The winner in today's struggle on the gridiron down at Walker's will be the recognized interscholastic champion team of 1901. The contest is between two of the strongest teams in the state—the Agricultural College and University of Utah eleven. The former has been coached under the watchful care of Dick Richards, and the Varsityes have been drilled by Coach Holmes, a veteran player.

There is more interest in today's game than in any previous contest this year, and the crowd in attendance promises to be a large one.

From the moment the game was arranged for both organizations settled down to hard, faithful work, because victory means much to either. The Aggies have spared no expense in preparing for the battle, and the same may be said of the local eleven.

The "Aggies" arrived this morning in splendid condition and proceeded to the Walker, where accommodations were made yesterday for the entertainment of seventy-five persons. The boys are enthusiastic and Coach Richards is positive they will return to Logan crowned with victory. On the other hand, Manager Rice and Coach Holmes of the boys on the hill, are worried not in the least. They feel certain of victory.

The teams lined up as follows:

Univ. Position. Ag. Col.  
Harker ..... L. E. .... Tuttle  
Kilbourn ..... R. E. .... Elmore

## GUARDS WIN ONE.

Defeated All Hallows on a Flake Yesterday Afternoon.

Two to nothing on a flake, Bassett and Christy knocked out the latter probably for the season, is the result of a little argument on the gridiron between the soldiers of the N. G. U. and the Guardians of All Hallows college yesterday afternoon at Walker's field.

The Guards scored 2 points on a punt by Cline, the oval smashing into an opponent and bouncing over the goal line. The game was fierce to the extent, and that it was close goes without saying. Nothing of very great note happened in the first half. The Guards put the hogline into play, Beck kicking to McMonigal who stopped on the forty-yard line. The soldiers getting possession of the ball.

It was lost on the thirty-yard line by a fumble, after being carried there by a series of determined bucks. The soldiers concluded to punt and made a good thing and tried it. The Guards thought the same and repeated the play. After the ball was dead, Bassett seized it and ran for a touchdown which was declared null and void. After this the soldiers fumbled twice, but the ball was immediately recovered.

Within two yards of the goal line, All Hallows held the other side for downs. Just before time was called the Guardians concluded to punt and running the ball back to the fifteen yard line. Each team drew a cipher; time of half twenty-five minutes.

The Guards got the ball in the kick off in the second half and carried it to the thirty-yard line. During the play a fumble occurred and Smith fell on the ball. Fred Smith waded through the line for a ten-yard gain and was tackled by Christy. The latter probably wishing to conclude the game, stepped on the Guardians' line. During the play a fumble occurred and Smith fell on the fifteen-yard line when the smoke cleared away.

At this stage of the proceedings Cline attempted his punt. The ball "mote" Lynch in the back and bounded over the goal line, where it was seized by Smith. This scored a safety for the Guardians. The latter then combined to perform an operation upon Tom Fanning and laid bare his cheek bone. He was not knocked out, however, and remained in the night until time was called.

The line-up and officials follow:

National Guards. All Hallows.  
Douglas ..... E. F. Smith  
Stanton ..... J. Crane  
Lynch ..... J. P. Smith  
Kidd ..... J. P. Smith  
Chaffin ..... J. P. Smith  
Beck ..... J. P. Smith  
Bassett ..... J. P. Smith  
Christy ..... J. P. Smith  
Thomas ..... J. P. Smith  
Jackson ..... J. P. Smith  
Cline ..... J. P. Smith  
Boyle, referee; Kenyon, umpire; McFadden, time; Jennings and Petty, line-men. Time of halves, 25 and 20 minutes.

## WANT TO JOIN THE CLUB.

Wealthy Men Would Pay Big Price for Membership.

One thousand dollars is the standing offer for a membership in the Bear River Duck club—and there is none for sale, says the Denver Post. One year ago when the club was organized memberships sold for \$250 each.

The membership is limited to one hundred. Those now in don't want to get out and those out want to get in. Each accounts for \$1,000 being a standing offer for a membership. Every duck hunter knows that there are countless thousands of ducks at the lake lakes.
